SEMA CAR SHOW SPECIAL!

## 2010's maddest motors!

Welcome to the Sema Car Show, the maddest motor collection in the world!

**F**or the connoisseur of the tweaked, stretched, lowered, blinged, tricked-out, custom-painted and generally modified-to-within-an-inch-of-their-hubcaps vehicle, Las Vegas' Sema show (Speciality Equipment Market Association) is the Mecca to which one

swarms. We sent our modded motor correspondent down with a camera and notepad to gawp at the lines of tweaked and buffed metal – and the booth babes, but that was on his own time!

Here's what he liked. We can confidently assume Clarkson and co would not approve!

**£250K**

**ABT AUDI R8 GT R** R8 gets lots of carbon-fibre mods, including skirts and adjustable wing. It sprints to 60mph in three seconds!

**TOYOTA PRIUS** Hybrid gets 18in wheels, eco sport tyres, 10cm suspension drop, Recaro race seats and a translucent rear spoiler.

**£30K**

**ROLLS-ROYCE PHANTOM DROPHEAD** Bling Roller in Beverly Hills spec yellow. Weighs 2.6 tonnes but still does 0-60 in 5.6 secs!

**£300K**

**THIS WAY FOR  
MORE HOT CARS!**

**MERCEDES SL** Most obvious mods are the flared arches, new front and rear bumpers, huge side skirts and a new boot spoiler.

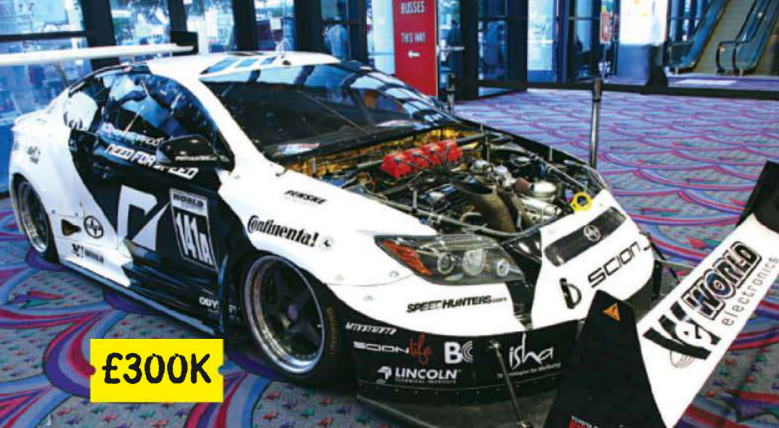

**£150K**

**FERRARI 458 ITALIA** Prancing horse on leather interior, and non-standard wheels with diamond-polished lip and colour-coded rim.

**£200K**

**£300K**

**SCION TC** A massive front spoiler dominates the styling, but this is no show car – it's got a 1,100bhp engine and four-wheel drive.

**£45K**

**HONDA CRZ** A new turbo and nickel-cobalt-magnesium battery boosts power from 122bhp to 200bhp. Plus a full bodykit is fitted.

**£75K**

**SCION XB** "The Squid" definitely has the best name of the show. 19in wheels, 1,500W hi-fi and those portholes are the highlights.

**£25K**

**BMW E30** Modern front splitter and curved rear spoiler meets old-school wide arch kit and multi-spoke wheels in the retro BMW.

**£170K**

**MERCEDES SLS AMG** Stunning colour-coded and polished rims, plus a whopping 563bhp V8 engine. Top speed is a lofty 197mph.

£200K

**HUMMER H2** Bodywork sits on poles to show off a hybrid motor. Originally designed for the Antarctic, hence the caterpillar tracks.

£60K

**CHEVROLET CAMARO** Matt-black vinyl wrap, faired-in lights and huge Forgiato alloys. Voted "hottest car" at the Sema show.

£20K

**BABY "LAMBORGHINI"** Awesome mini-Lambo based on a quad bike. One of a series, it rides on normal-sized wheels and tyres.

£200K

**LAMBORGHINI GALLARDO** 200mph, V10 Lambo modified with dark window tints, black mirrors and 20in colour-coded wheels.

£60K

**NISSAN 350Z** Touring car-inspired wide-arch bodykit – with corner splitters and a neat wing – and a carbon-vented bonnet.

# Nuts meets the £50million man!

Gareth Bale talks Spurs, the Champions League and Ryan Giggs!

**H**i Gareth! You're in fantastic form, but are you able to keep your feet on the ground?

Yeah, I'm just being me and enjoying playing my football. You absolutely murdered Inter. What do you put Spurs' recent performances down to? Lots of things – the team's playing really well at the moment and the manager has got confidence in us. I feel like I'm improving as a player all the time and when those things come together, we're capable of great performances like we showed against Inter.

How far can Spurs go in the Champions League? Can you win it? I don't think you can say that, but never say never. We're certainly not just there to make up the numbers, we want to do as well as we can. Every game we play in the competition,

we're looking to win. But we just take one match at a time and don't get too carried away with everything.

There's talk of the likes of Barcelona bidding £50m for you. Do you see your long-term future at Spurs? I'm just enjoying playing my football at the moment. I'm learning every week and the manager believes in me so I'm happy here. We've got a very good young side and I want to keep playing my football at the club and keep progressing. But are you aware of all the wild transfer speculation that's surrounding you now? I don't take too much notice of it all.

**"I really feel I'm improving all the time"**

Obviously, a lot of people in the media are saying stuff but I try to keep my feet on the ground and work hard in training. It's the only way to improve!

Can you achieve what you want to at Tottenham? I think we can achieve what we want with the squad and manager we've got. If we keep doing what we're doing, there's a lot of bright things in the future.

Do you have to pinch yourself when you think of how far you've come personally in the last year or so? I don't really think about it too much, I just concentrate on enjoying my football and doing my best. Are you the best left-sided player in the world right now?

A lot of people are saying very nice things about me at the moment, which is great, but I know I've got to keep going and work harder still.

Ryan Giggs is your role model – they don't come much better than him, do they? Ever since he made his debut, he's shown what a good player and a good person he is. He's an amazing man to follow and hopefully I can get near him in terms of my performances.

Are you in the best form of your career? Yeah, I'm really enjoying it at the moment!

Do you think that your performances against Inter have announced yourself to a world audience? I don't know about that, I'm really not sure. In truth, I don't look at any papers or anything. It's just about me playing the best football I can. I'm a normal person and I just want to keep doing well for Tottenham.

## WELSH WONDER!

## It's 'Arry on Bale!

The Spurs boss knows his side boasts a rare talent

"Do I need new heating? No, I'm hot already"

**H**i Harry! You've played a part in turning Gareth Bale into a truly world-class player. How good can he actually become? He could be the best left-sided player in the world! He's got absolutely everything. He can run all day, he can play left-back or left midfield. He keeps running the length of the field and getting to the byline and crossing balls. I think he'll end up as a left-back because you can't mark him there.

**Is there anything that opposition managers can do against Bale?** You just can't stop him! Sometimes, when he's playing wide, the full-back can get very close to him and stop him that way. But that's it.

**Is he a new Ryan Giggs?** He's very different but I think he can go on and be one of the great players. It's just amazing how he's developed. He's a lovely lad, he's toughened up – he was a bit soft last year! But he's got tougher and now he's pretty amazing!

**So you've got high hopes for him?** Yeah, I think left-back is probably where he'll finish up, and there wouldn't be a better left-back in the world!

Nuts GAMES EXCLUSIVE 1!

# Naked game test!

**Nuts investigates - can the new Xbox Kinect tell if you're nude?**

**T**he Xbox's incredible Kinect controller-free unit is out this week. Using cameras and an infrared sensor to track your whole body, it turns every part of you into a controller.

But is it clever enough to tell if a player's naked? In the name of science, we took on the task of finding out, with dancing game *Dance Central*, Daisy, Porchia and a couple of birthday suits!

## WARMING UP!

### THE CHALLENGE BEGINS!

We fired up *Dance Central*, then got the lasses to work, shaking their (clothed) booties!

**NUDE GAMERS!**

**NUTS INVESTIGATES!**

Our boffin was on hand to record the scores. He didn't blink for another five hours!

Gratuitous nudity?  
Marvellous!

**THE CLOTHES ARE OFF!**

With the clothed round scores safely recorded, top and shorts were flung off for round two!

## Kinect – explained!

- Kinect is a whole body-mapping system that makes you a controller.
- Using an infrared sensor, one monochrome pixel sensor and one camera, it tracks your movements.
- A microphone works for games – and also adds voice recognition!
- Facial recognition is in, so sit in front of it and it'll load your gamer profile.
- Get it for £130 from all good electrical retailers.

## Verdict

After hours Lady Gaga-ing, we can confirm Kinect can't tell the difference between clothed and naked bodies. But it's still awesome. Once again, science is the winner!

Nuts GAMES EXCLUSIVE 2!

# Call Of Duty: Black Ops: first review!

We've played the game of the year, start to finish. And...

Last week, our chums at Activision invited us to a secret, covert venue to take on a secret, covert mission (play *Call Of Duty: Black Ops*), with a crack team of expertly trained ninjas (some games journalists). This was the only access anyone had to the title before its launch today. And here's our world exclusive review.

**What happens?** From a covert assassination attempt on Fidel Castro in Cuba, to a Russian labour camp mine, to operations in a Kazakh space-launch facility, taking a hill in Vietnam and infiltrating a Ural Mountains

enemy complex, you essentially shoot people in the face. For about eight hours. Then, of course, there are months of multiplayer. And zombies. Sweet, sweet zombies.

**Highlights:** Charging out of a 1963 labour camp with a chain gun called "death machine". Destroying a Sputnik rocket as it launches with a guided missile. Rappelling into a Vietnamese building from a 'copter as it ditches following a rocket hit.

**Verdict:** A cracking conspiracy theory with eye-poking graphics, stunning set pieces and pin-sharp shooting make this, yes, better than *Modern Warfare 2*. Oh yes. We went there. ★★★★★

The quick-thinking fella stuck the limb in a plastic bag before heading for hospital in the hope they could stick it back on. Sadly, the damage was

# Carnage!

Audi goes airborne, driver remarkably unscathed!

**R**emember that game you used to play as a kid where you'd spin around for ages to make yourself dizzy?

That's how Alexandre Premat must've felt when his Audi A4 was sent whizzing through the air during a German Touring Car Masters race in Italy. It only took an annoying little clip from the car behind to send his vehicle into this spectacular death roll.

Amazingly, the Frenchman calmly walked away from the incident with only minor injuries, despite his smashed up motor hitting the protective barrier and landing upside down. Like a tenderised turtle.

WORDS: NICK WATKINS PHOTOS: COLORSPORT

See footage of the crash at [www.nuts.co.uk/news](http://www.nuts.co.uk/news)

**HE SURVIVED!**

## Meet driver Alex Premat

**Mon dieu! This fancy French racer lived to tell the tale!**

**F**irst, how are you after the crash? I'm fine now, but my ankle is badly bruised.

**What do you remember about the crash?** It was on the first lap and it was very wet and slippery. My tyres were still cold and there wasn't much grip. I got clipped from behind and it pushed me onto the grass.

**Did you suffer any injuries?** Only a bruised ankle! I smacked it against the steering wheel as

I repeatedly hit the ground. The cockpit was getting smaller and smaller every time I hit the grass because of the impact. It felt like I was spinning forever!

**What was going through your mind as your car was flying through the air?** I was thinking please stop! When the car did stop spinning, it ended up upside down! I managed to move every part of my body to make sure I could feel my arms, legs and

neck. Then I took my seat belt off and just got out of the car! **Is this the worst crash of your career?** I've had a few crashes in the past but this is by far the worst! I'm just happy to be alive! **Finally, will it be on your mind in the future?** I'll forget about it because I came out without an injury. In the past, the driver of a crash like this could've died, but the cars are very safe these days so you can move on.

DAVID HAYE

# DAVID HAYE

The heavyweight champ talks about his Audley Harrison fight, UFC and Strictly Come Dancing!

**H**i David! How has preparation been going for the fight? So far, so good! I've been smashing people up in the gym, hurting my sparring partners, breaking punchbags, snapping skipping ropes and punching off speed balls, so I'd say I'm more than ready for Audley Harrison!

Blimey! Haven't you spent a lot of money on new sparring partners for this fight? Yeah, I'm paying a lot of medical bills as well! I'm smashing ribs, perforating eardrums, rupturing eye sockets and breaking noses in training. It's going very well! **You and Audley used to be friends...** We used to be, a long time ago, but he's an idiot.

**A lot of people don't think he deserves a world title shot. Has this affected your preparation?** I've prepared the same way that I would if I was facing someone who was going to beat me. I've been the underdog many times in my career and I've always won, so I'm going to be training the same way. I'm hoping he turns up in great shape because I want this fight to go a few rounds.

**Why didn't you appear on Soccer AM with him as planned?**

I just didn't fancy sitting there with him for two hours! I spent two days with him doing TV shows and press, and I just thought I didn't want to look at his face any more. I may have knocked him out on the show, so it probably wasn't worth it.

**Do you think people want to see you punish Harrison or end it fast?** I don't think people will really care how

He thought I took liberties sparring in training with him in Miami but boxing is boxing, it's not tiddlywinks! I think he felt a bit hard done by, getting bashed up in sparring. So if you take away the head guard and big gloves and do it for real in front of a crowd, we're going to find out how uncomfortable he is!

**Have you ever hated anyone more than Harrison?** No, never! I've known him for years and spent so much time with him, I've seen what type of guy he really is. I'll make sure the fight becomes a public execution.

I win, as long as he officially retires after this fight. The aim is to get him out of boxing for good. I'm predicting a violent beating for him. I'm not sure

which round I'll win this one in though – but I'll definitely win!

**Can you leave a lasting legacy like past fighters such as Muhammad Ali and other great heavyweights?** No, I don't think so – Ali was the greatest for a reason. I do think I can leave a legacy but nothing in the same league as him. Back then, there were people like Joe Frazier, Ken Norton and George Foreman having regular fights with top boxers all in the same era. It was a case of all of them being able to beat each other. Frazier beat Ali, then Foreman beat Frazier – that sort of thing. These days, there isn't the depth in the heavyweight division.

**So you can't compare this era of boxing to previous ones like the '70s?** No, back then it was a hell of a lot better. I'm actually quite glad I'm fighting in this era, to be honest, as I wouldn't fancy facing someone like George Foreman in his prime! However, I'd like to know how I would've got on in those days. I doubt I'd be decapitating them like I will Audley Harrison. ➔

## DAVID HAYE

**You're a Millwall fan. Would you get involved in a scrap if there was one in the crowd at a match?** No! I've been in a few fights outside the ring – in bars, clubs, restaurants and things. Outside an ice-cream van once as well! I've not had to bash anyone up for a long time, which is good because you don't get paid for beating people up on the street!

**Would you consider UFC after boxing?** I'd consider it but I'd have to train properly for it as it takes a lot more than one punch to win a MMA fight. So, I'd work on my ground game and make sure I could defend myself. I'll think about it after I retire.

**Do you think UFC's a threat to boxing in terms of the fan base?** Not really. I don't think it takes fans away from boxing. I think it's brought more non-fight fans to watch both sports. Kids who don't know about boxing might have heard about Randy Couture and start following him, and that might lead them to watch more boxers like Floyd Mayweather. I'm a big fan of UFC myself, that's my background – my dad was a mixed

HotMags - Free Magazines

martial arts instructor, and it's what I did before boxing so I can appreciate the art of the sport. I was at the Dan Hardy and Michael Bisping fights recently and they were really good.

**After you retire from boxing will you go on celebrity TV shows like *Strictly Come Dancing*?**

Nah, that wouldn't be fair – I'm too good a dancer! The same goes for *Dancing On Ice*, as I'm a great ice-skater, too!

**Is it true you have a sex ban before a fight?** Yes, it is. There can be no ejaculation for six weeks before. It's a very hard thing to do. Literally! I have amazing-looking women coming at me in my sleep so it's very difficult! But I'm strict on it.

**Thanks David. Finally, we hear you're releasing an iPhone app...** Yeah! It's got loads of interviews and me giving out boxing lessons to celebrities. And it's totally free! ■

**SUPER STRIKER!**

## Man City vs Man

Two superstars chat to Nuts ahead of the big Manc showdown!

**Tevez: "We want to be as big as United!"**

**H**i Carlos! What do you make of City's start to the season? We've functioned very well. It was always going to be a challenge to bring many different players together so quickly, but I think you can say we have accommodated these excellently. We're challenging at the top and this was the objective when we started the season. But there have been whispers about Roberto Mancini's future. The manager's doing a very good job. What other people say doesn't concern me.

OK, but pressure comes with expectation. Is it too high for City? We're professionals so we expect success from ourselves. And it's understandable why

people look at us and the players we have and expect us to do well. This is natural. This is a positive. It shows we're progressing and building the club into one which will be special in future years. Will anything other than winning the title be a failure, especially after all the money City have spent? I always say this is a project which may take time. This isn't to say we don't want to claim the title this season! We have a passion to be champions but we also must be patient. You've confessed to being homesick. Does this mean you'll end up leaving City to go back to Argentina? Of course I'll leave at some stage but maybe I'll be an old man when I do!

I've committed myself totally to City and will continue this mentality. The people here have been fantastic to me and England is a wonderful place to play football. Who knows the future? A lot can happen in sport but at the moment, I'm happy here. Thanks for the chat, Carlos! Final question – are City now the biggest club in Manchester? I cannot say that! United have had many years of success and won many trophies. They're also famous around the world. We're only at the start of our journey. We want to be a huge club that's known for winning many titles and winning the Champions League. When will this happen? Very soon, I hope!

## Rio: "We're as strong as ever!"

**H**i Rio! With all the Rooney hullabaloo just starting to die down, is it nice for the focus to be back on the football? It was always going to be a big story, but I knew the manager would sort everything out. He's been there, seen it, done it, bought the T-shirt. I can honestly say that it's all in the past and we're just working really hard as a team to win matches.

**Is this Man United team as strong as previous ones?** Yeah, of course. Just go through the players we've got. Internationals everywhere! There's the experience of the older players like me, Giggsy and Scholesy, then there's the younger lads like Nani and Anderson coming through. We're in a good place.

**Good enough to regain the title?** We have to believe that. This is a club that's used to winning trophies and this is a team that knows what it takes to be successful so, yeah, we're good enough. But it's all well and good talking about it – we need to go out and actually do it. We'll be judged at the end of the season by what we've won, nothing else.

**That Javier Hernandez looks a bit special!** He's another young lad who looks like he'll do the business for us. He's come in and really hit the ground running.

He obviously knows how to score goals, that's for sure! We've got great options up front with Wayne and Berba, too. No defender's going to be comfortable coming up against that lot.

**Has Berbatov finally won over the Old Trafford faithful?** I think so. If we win trophies and he's influential in that, definitely! His style of play might make it look like he's taking it easy but he really does work hard for the team. His ability is incredible and I think he gives us a lot of good things. He's a good lad, too.

**What about yourself? Are you over your injury problems?** I've had a bit of a rough time of it. There were some dark moments, yeah, but thankfully I've sorted myself out. I hate not playing, so to get back on the field has been absolutely brilliant. I'm a footballer – it's what I do!

**Cheers, Rio! Finally, can we ask if you fear City becoming bigger than United?** Everyone asks about Man City! I guess it's fair enough because they've invested a lot and things look good for them. As I've said, we'll all be judged at the end of the season by what we've won. We've got a track record of being successful – we'll just have to see how they get on in the next few weeks and months. It should be interesting!

## Keep your nose out, Rafa!

**A**fter the battering Spurs gave Inter Milan in the Champions League last week, you'd think their manager Rafa Benitez would have enough to occupy his time without getting involved in the situation at Liverpool. But every time Rafa opens his mouth, he seems to be having a dig at his

**"He only signed two good players: Torres and Reina"**

former club and current boss Roy Hodgson. Not only do I find some of the things Rafa's been coming out with recently hugely disrespectful, he doesn't seem to have learnt from his time at Anfield, where he was repeatedly found lacking.

Let's get one thing clear – while Benitez did well to win the Champions League in his first season at Liverpool, he did it with Gerard Houllier's team. And after that, he made a pig's ear of things. He dismantled that cup-winning side and went on

to make disastrous signing after disastrous signing, with only Xabi Alonso, Pepe Reina and Fernando Torres as notable exceptions. He spent more money than any side outside the top three, and Roy Hodgson is now trying to pick up the pieces.

And yet Benitez has the audacity to criticise him and tell him he doesn't know what he's talking about! Liverpool fans are proper football people. They know the game inside out, and that's why the majority of them are willing to give Hodgson

a chance to sort out the mess he inherited from Rafa. They've started to turn the corner on the pitch now, and the new owners seem to have sensible ideas on how to take the club forward. It'll take time to restore the good name of Liverpool Football Club, but it can be done.

One thing they can do without is the man who caused the problems in the first place constantly sticking his oar in during every press conference he gives. Time to concentrate on your own team, Rafa!

**1 MAN CITY VS MAN UNITED**  
10 NOV, 8PM, SKY SP 1/HD

"This is a tough one to call. City have enormous dressing room problems, but United haven't been firing of late. I'll go for a tight draw."  
**KAMMY SAYS: 1-1**

**2 EVERTON VS ARSENAL**  
14 NOV, 2PM, SKY SP 1/HD1

"Arsenal have ground out some good away results this season, but Everton have a never-say-die spirit, as we saw when they faced Man United at home."  
**KAMMY SAYS: 2-2**

**3 CHELSEA VS SUNDERLAND**  
14 NOV, 4.10PM, SKY SP 1/HD1

"Steve Bruce was right to apologise to Sunderland fans after their 5-1 derby drubbing, and I think he might be doing the same after this one!"

**UNBELIEVABLY BAD!**

## ASK KAMMY!

Hi Kammy! Do you think Ian Holloway was right to have a go at the Blackpool fans after his side struggled to put away nine-man West Brom last week?

*Danny B, Lincoln*

Football fans can be so fickle sometimes! Blackpool supporters need to remember how they felt when Ian got their team into the Premier League back in May, and who'd have thought they could be in the top half of the table? He's worked wonders for that team – and the whole town.

# Lewis Hamilton!

The F1 ace on Red Bull, *The X Factor* and why he won't wear Y-fronts!

**H**i Lewis! The F1 season's coming to an end. Has it not gone as well as you expected? I think it could always be better. I've had some very tough races. Generally, though, we've had some pretty positive races and it's good to still be in the fight at the end. I'm surprised we're even still there! **Your hair's looking quite short. Is that a weight-saving measure?** Ha-ha! Yeah, I'm trying to save all I can! Really, though, I'm away for two weeks now and I have my barber in the UK, so whenever I get the chance to see him, I do. I saw him last night at midnight.

I have one guy who cuts my hair – he's been doing it for eight years! **How are you going to stop Red Bull next season?** It's incredible how quick their car's been lately – we don't even know where they pick up the pace. We're always improving the car like they are, but they seem to do something that enables them to pull out another half-second – it's unbelievable! So all we can hope is that our race pace is not far off theirs. We feel it's all about the race start, getting ourselves in second row – if not first – and jumping in at the start or having to hope they have their faults. **Do you play any racing games?** I'm an Xbox guy. PlayStation was always the one but Xbox is really starting to take over for me now. I play more shooters, though. **Do you ever reveal who you are when you go online?** No, I never usually go online. I've been on to play *Call Of Duty* a little bit but normally I don't. I'm real excited about the new COD coming out. I can't wait, I love that game! **Have you still got your Nuts Hero of the Year award from 2008 on display in your house?** Actually, it's in my dad's

house. It's in the bathroom, ha-ha! No, I don't know if it's in the bathroom but we do have it. My dad keeps all my trophies at the moment until I get a house. I haven't got a room for them! **We expect the championship trophies are somewhere at the back and ours is right at the front, yeah?** Ha-ha! Yeah! **What's your favourite Pussycat Dolls song?** I think it's probably *When I Grow Up*. Actually, no, that's a lie, it's *Don't Cha*.

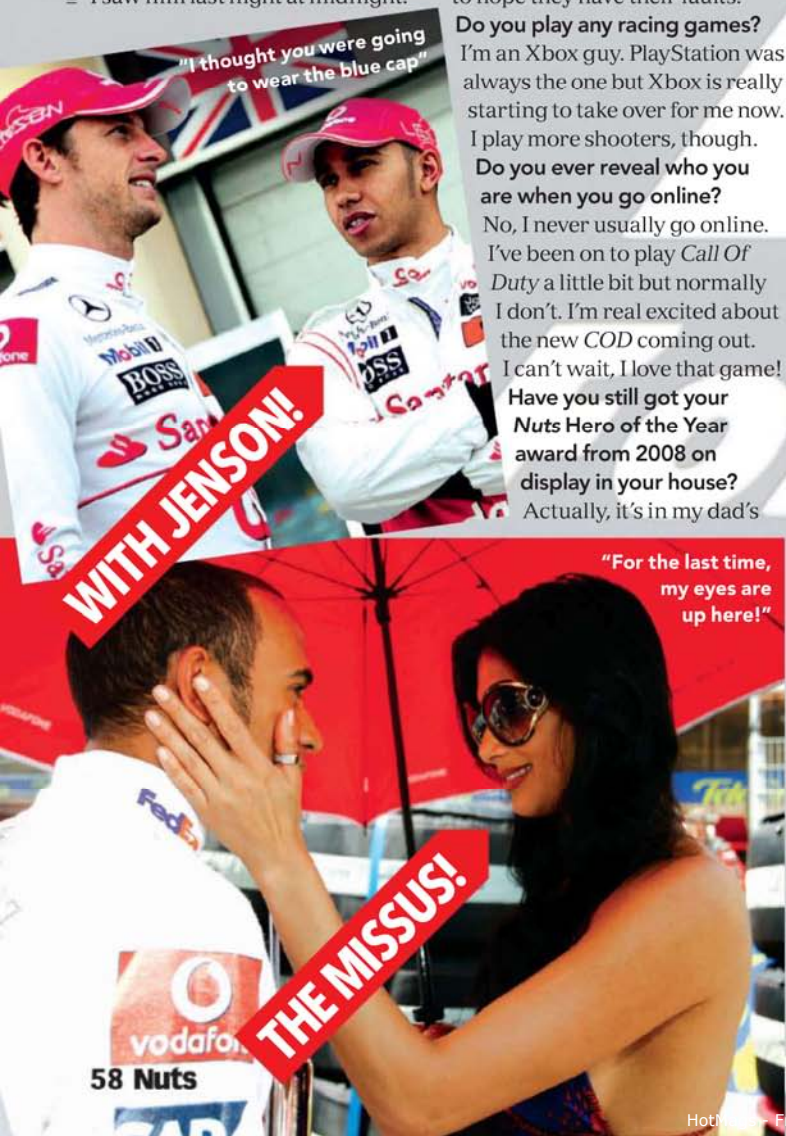

**"I've tried to wee in my race suit – it's impossible!"**

**Is that because when you first saw Nicole, you thought, "Yes, actually, I do wish my girlfriend was hot like you!"?** Ha-ha! Yeah, something like that. That one's always been my favourite. **She did well on *The X Factor* this year. Were you watching?** Yeah, but I live in Europe and we don't get it in Switzerland. I don't have international TV yet, but I watch it online and she sends me any links of the show that she has, so I get to watch it a little bit. **Did she tell you any stories from her time on the show?** She loved it. People won't realise this but she gets incredibly nervous for her shows. It's because she's got such a will to succeed and a will to achieve the best. She said she got on so well with Simon and Louis, and she just seemed to love the whole thing. She's such a funny person and everyone got her humour as well, which I'm sure she'll be happy about. **If you went on *The X Factor*, what would you sing?** I'm trying to get my uncle to go on because he's the most tone-deaf person I've ever heard and it'd just... I'd literally pay for him to go on it!

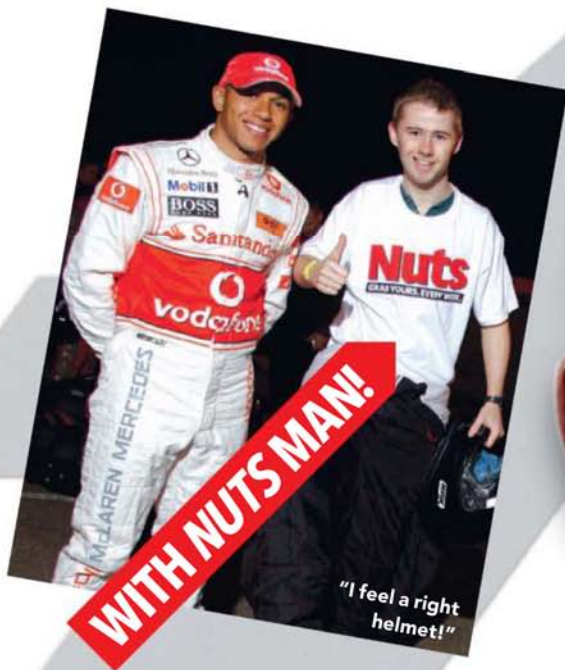

**He couldn't be much worse than Wagner.** I don't like watching good people, I like watching all those terrible people. I feel like going up there and doing a joke one. Like walk out on stage, big myself up and tell everyone I was gonna smash it out of the park, then... [wails tunelessly and starts laughing]. I'd do *Bad* by Michael Jackson and kill it. **Can you do the moonwalk?** Not in these shoes, no! I can do the spin and the kick, though. **Will you show us?** No! **You're all talk! Back to F1, how has your relationship with Jenson Button come on this year?** It hasn't changed. I mean, we know each other a lot more but from day one, we've got on so well and work really well. He's been a great team-mate to have. It's been a great privilege working with him and we're both looking forward to next year. **We've never seen you out of your race suit. What do you wear underneath it? Lucky Y-fronts?** I definitely don't wear Y-fronts! My friend calls them budgie smugglers, they're just not comfy. I like to wear a lot of tracksuits. **Thanks, Lewis! Finally, when we were doing a lap to try to beat your time in the go-kart, we needed a wee, so we went in our suit. That's what you guys do, isn't it?** I wondered what that smell was! A couple of drivers have done that. I've heard that DC [David Coulthard] has done it. I've tried, but it's impossible! You're so focused, plus you're strapped in quite a lot. You'd have to take your concentration off driving for a good period of time and that's the last thing you want!

Nuts **PROMOTION**

**S**o, gents, the SEAT Sex Drive – the show that aims to determine once and for all whether blokes are really better drivers than women – is in full flow!

And we sent incredibly sexy Nuts babe India Reynolds and Nuts man Sam along to the event to compete in our very own battle of the sexes.

After losing the first two challenges, Nuts man was eager to peg one back in this week's challenge, Stunt Drive, where both teams have to pull off a series of crazy driving drills at high speed!

These manic manoeuvres include handbrake turns, reverse spins and driving across a skid pan! And the fastest team wins – awesome!

Nuts man Sam went about his business like the Stig on speed and skidded his way round the track in record time! Despite being beautiful, India struggled big time, failing to control her skids (in the car, that is!) – meaning Nuts man earned his first point. Come on, the boys!

# Top tips to play poker like a pro!

## Expert advice on how to win big in the *Nuts* poker room

### 1 DON'T BLOW YOUR WAD!

Be cagey with your cash and only lay bets you can afford to lose. Don't put yourself under pressure by raising the stakes to chase your losses – you'll play worse when you're scared of losing. If you think you're the weakest player at the table, it's time to bust a move and drop down a level.

### 2 LAY OFF THE BOOZE!

Sinking cans while playing "heads up" poker at home with the lads might be a bit of fun, but when you're playing chaps online who are only out to nab your cash, you need to keep a clear head!

### 3 CHOOSE YOUR HANDS!

While the big guns of the game might be able to play any two cards with skill, you'll need to build your confidence and protect your bankroll. Choose only the best starting hands to gamble with, and if you hit something big on the flop, bet hard!

### 4 PLAY TAG!

We're not talking playground here – to roll with the sharks, you need to play tight and aggressive. Be selective, then when you think you've got the best hand, go big.

### 5 STAY COOL ON THE DRAW!

If you've got a straight or a flush draw, don't keep calling bets just to see if you hit. If you're not getting the correct odds, just fold. And remember to draw to "Nut hands" (Ace-high flush) rather than low hands (7-high flush) as even if you hit your low flush, you may be beaten by a higher flush!

### 6 ASSUME THE POSITION!

Play moves clockwise in poker. The worst position is the small blind spot and the best is the button. If you're right of the button, you see what everyone has done before it's your turn to act, so it's the best spot to go for it and play most of your hands.

### 7 GO EASY WITH THE BLUFF!

Starting out, most players like to see what the other player is holding, so they call a lot more than they fold. This means people will call your bets more than they fold to them. So don't bluff too often or you'll get found out!

## AUGMENTED REALITY

In *Assassin's Creed*, you use augmented reality to relive the life of your ancestors. And we're using AR, too, to stick an interactive India Reynolds on your PC. Head to page 21 to get your high-tech lady fix. Even cooler, hold this very page up to your webcam for ace augmented reality goodies!

# Assassinate a

*Assassin's Creed* is back, with the added bonus of being able to kill your chums!

Let's be honest, *Assassin's Creed* has done alright. The two games to date have been absolute smash hits. But if the stealth-'em-up was missing one aspect, it was a multiplayer option. Enter, like a silent angel of death from above, *Assassin's Creed Brotherhood*.

And it's every bit as tricky, well-crafted and downright sneaky as we'd expect. Our favourite mode is "Wanted", an eight-player match-up where you choose a character, then roam the streets of Rome, looking to end the life of your seven competitors. But a paranoid twist is ever-present, as you don't know who's just an innocent passer-by and who's an adversary, ready to stick metal between your shoulder blades.

The more kills you make, the more you level up, and the more hardware and moves become available. It's a bit like *Call Of Duty* in silk undergarments and fancy boots. And it's out on PS3 and Xbox 360 on 19 November. Make sure there's a copy with your name on it!

### CHOOSE YOUR WEAPONS

There's a huge range of covert killers to use, each wielding a unique killing method. Here are some of our favourites...

### THE EXECUTIONER

The weapon of choice – nothing subtle here, just a big old unit in a leather mask with a massive axe!

### THE ENGINEER

The weapon of choice – a set of spikey compasses. So a bit like school, then!

### THE COURTESAN

The weapon of choice – not a dose of something itchy. This happy hooker uses razor-sharp fan blades.

# ASSASSIN'S — CREED — BROTHERHOOD

# mate!

#### THE DOCTOR

The weapon of choice – unsurprisingly, a syringe stuffed with poison. The Doctor is in the house!

#### THE BARBER

The weapon of choice – not a sarcastic critique of your hairdo, but a cool cut-throat razor.

## But where's the single player?

Don't panic, the campaign mode's still here, and it's better than ever! Ubisoft have spent a huge amount of time and cash on multiplayer, but that doesn't mean they've skimped on the main campaign. There's still the kind of deep and involving (and hour-gobbling) missions to play through, now involving new settings, new assassins and new kills. It's still first and foremost a single player experience, and it's going to rock!

## Answer question! Win stuff!

As if the expectation of playing this game wasn't prize enough, our chums at Ubisoft have dug deep into their pot of gold with "Compos" scribbled on with a crayon, and are spoiling us with a top giveaway! Up for grabs are a copy of the game (natch!), a shiny new PS3 to play it on (sweet!) and a brand new Panasonic TV, so you can see the game and everything!

Entry's simple – just cast your peepers on the game trailer and tell us: **Where does the dust-up at the end of the movie take place?** Simply email your answer to [Brotherhood@ipcmedia.com](mailto:Brotherhood@ipcmedia.com).

## Daisy Jade on... her boobs!

"My boobs are 34C. I prefer my boobs to my legs because I'm a bit short! I like to show off my boobs when I go out, so I wear little lace tops with no bra."

**"I talk dirty

## Daisy Jade on... her undies!

"I love plain black or plain red French knickers and a nice matching bra. I like to have new underwear on whenever I go out – you just never know!"

# MAN UP, BRUT \$TYLE!

Gentlemen, we should all smell better. And with BRUT, you will!

**T**here are certain things that sort the men from the boys. Have you ever chopped wood? Can you change a tyre? And more importantly, do you own a bottle of BRUT? If you're the type of bloke who likes a bit of *Glee* on a Friday, grab your poncey aftershave and don't let the door hit you on the way out, 'cos nothing says "man" better than the iconic classic smell of BRUT.

And BRUT isn't just about splashing on the good stuff anymore. You can now get a dose every day thanks to new additions to the excellent range – a collection of spanking new deodorants and a shower gel. There's one to suit every bloke, so sniff them out.

BRUT's got a quality history to boot. Proper men like Henry Cooper, Gazza and even Kevin Keegan have all been BRUT ambassadors, and for good reason – 'cos they're real men!

And talking of real men, BRUT have joined forces with the charity Help For Heroes, and are privileged to be a part of their campaign to help those proper men and women who've fought for our country, and get them back on the road to recovery.

And if you want to take your level of manliness up to the max, head over to our online assault course game and you could be well on your way to driving a tank. It doesn't get much more manly!

There's no messing with top notes of this, and base notes of that – get your hands on some BRUT and leave a trail of women in your wake. Come on, chaps, get some brute force behind you!

For more information on BRUT, check out [brutformen.co.uk](http://brutformen.co.uk)

## TO OUR SECRETARY!

### CONFESSION OF THE WEEK!

#### 'Two girls asked me to join in'

After a hockey game one Saturday, I hung around by the pitch for ages chatting to one of my mates. By the time I wandered into the changing room, it was completely empty. As I undressed, I heard noises coming from the showers, so I peeked inside to find two of my team-mates at it. I was quite turned on to see two girls kissing and touching each other. They spotted me, giggled and told me to get lost or join in. As I took my top off, one of the girls came over and started taking down my trousers, then she started to suck on my breasts as the other began kissing me. One girl put her hand between my legs so I did the same to the third girl. We spent an hour playing around in there and now I can't wait to go on tour!

*Jasmine, Colchester*

#### 'I gave him a cheeky lick'

We went to a fancy dress party with my boyfriend's pals for Halloween and I wanted to look sexy as well as scary. I dressed as

a killer nurse, with a tight PVC outfit covered in blood. My boyfriend couldn't take his eyes off my curves all night. In the cab on the way home, his hands were all over me, and he seemed to really enjoy the feeling of rubber. We sat almost facing each other,

kissing and whispering naughty things. I felt his hand slowly going up my skirt and I instinctively glanced at the driver's mirror to see if he was looking. Feeling confident that he couldn't see, I slipped my hand in my man's jeans and wrapped my fingers around his hard manhood. We got pretty carried away for a few minutes, until I realised that the cab had suddenly slowed down to a crawl and the driver kept turning around to watch us!

*Harriet, Staffs*

#### 'I forgot my knickers'

I was in a rush getting ready for work one morning and I put my sexy pencil skirt on and pulled on some hold-ups. The new sexy supervisor was in charge that day and I really wanted him to notice me. Glancing at the clock, I realised I was super-late and raced out the door. Arriving at the office, I realised I'd forgotten to put my knickers on but thought I could use it to my advantage. When the boss called me into his office to photocopy some pages, I deliberately dropped them in front of him. I slowly bent down to pick them up, making sure he had a good look. At first, he looked totally shocked but then he gave me a big grin and stood up to show me his arousal. After some quick fondling, he bent me over his desk. Pulling my skirt up roughly, he slid in behind me and took a firm hold of my hips. We did it hard and fast until he came

with a loud and aggressive grunt. Since that day I've "accidentally" forgotten my knickers on more than one occasion!

*Morgan, Bromley*

#### 'We got naked in the sea'

I was on holiday in Thailand with four girlfriends and one night, after a wild party on the beach, we decided to all go skinny-dipping in the sea. We were soon spotted by a group of guys who we'd met the day before. It took them no time to race into the water, bits flapping everywhere and white bums on show! We all started flirting with each other and splashing about in the warm water. I really fancied one of the guys and I could see his erection growing by the second. We got more and more playful and I couldn't resist a cheeky grope. He pulled me towards him and I continued stroking his shaft as we kissed each other passionately. His hands were suddenly all over me and as I glanced around, I could see that the other girls were getting it on with the lads too. It was a really horny experience and God knows what the rest of the people on the beach thought!

*Amy, Romford*

## COMEDY DUO!

**The Trip**

BBC1, 10pm

**COMEDY**

Steve Coogan and Rob Brydon

continue to eat meals, riff on this thing called life and do amusing impressions to each other in this brilliant mockumentary. This week, the hilarious duo are off to Greta Hall in Keswick, which was once home of Samuel Taylor Coleridge (strange chap who used to write mad poems under the influence of lots of drugs), and Dove Cottage, home of William Wordsworth, who was also a bit useful when it came to making stuff rhyme, though he did have a tendency to warble on about daffodils. Poetry-tastic! ★★★★★

"If those bloomin' fireflies are still following me..."

**Accused**

BBC1, 9pm

**DRAMA**

The BBC tend to do some things pretty well, and one of them is super-gritty, close-to-the-knuckle, depressing dramas. Like these six one-off dramas about a normal person who somehow ends up in court. Dark stuff. ★★

"Guy in a rap shirt says what!?"

**Ask Rhod Gilbert**

BBC1, 10.35pm

**COMEDY**

The last show in the series, and a fine series it's been – more Gilbert in the near future, please! As ever, Rhod answers questions from the public, with the help of his flatmate Lloyd and Greg Davies from *The Inbetweeners*. ★★★★★

"Er, I have no idea why my phone number's on there!"

**Chris Moyles' Quiz Night**

Channel 4, 10pm

**QUIZ**

Nuts hero Moyles' back to banish those Monday night blues. Will a series of celeb guests like Rio Ferdinand and David Tennant be able to outwit Moyles in this quiz? Probably not! ★★

Like fast cars? Like crazy stunts? Of course you do! So you'll love this week's episode of SEAT Sex Drive! The battle of the sexes resumes in the Stunt Drive, a driving challenge involving cool car tricks! Watch it at [nuts.co.uk/seatsexdrive!](http://nuts.co.uk/seatsexdrive!)

## TODAY'S MUST-SEES

"Come on, eh? Yeah? Want it, do yer? Yeah? Yeah?"

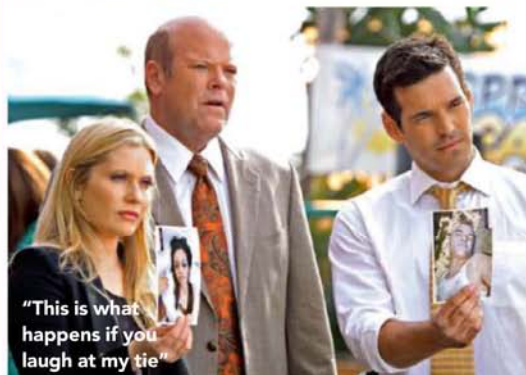

## KILLER ALIEN!

## Predator 2

E4, 10pm

**FILM**

Hugely under-rated sci-fi action sequel starring Danny "I'm too old for this sh\*t" Glover as a tough cop facing a ferocious alien in 1997 Los Angeles. The city's citizens – mainly naughty crime gangs – are being stalked by the extra-terrestrial hardass who wants to test his hunting abilities against other "predators". Except it's no contest really, as the alien is massive and has amazing weapons! Look out for utterly gruesome deaths and imaginatively bloody slayings! Awesome! ★★★★★

"This is what happens if you laugh at my tie"

## CSI: Miami

Five, 9pm

**DRAMA**

It's a bonanza of bodies as Horatio and his team investigate three separate murders during the spring break – a man impaled on a statue, a woman found dead in a washing machine, and a victim discovered buried alive. Blimey! ★★★★★

"Sorry, but I can't love someone who looks like Heather Mills"

## LipService

BBC3, 10.30pm

**DRAMA**

Quite simply, the best lesbian-based drama on telly, mainly because said lesbians are fit, they're prone to removing their outer garments and it's the only lesbian drama on telly. Obviously of no interest to real lesbians. ★★

"This virtual Jordan is ace"

## Jimmy Carr: Telling Jokes

Channel 4, 10pm

**COMEDY**

The king of dry humour is back doing what he does best, standing there, firing off gags about sex, religion and political correctness. Not for the easily offended. ★★

## TODAY'S MUST-SEES

"Yeah, let's head  
down the strip ba...  
er, hi Coleen!"

BACK IN ACTION!

## England vs France

7.30pm, ITV1

**SPORT**

People may well think England had  
a disastrous World Cup campaign,  
but compared to Les Bleus across  
the Channel, it was like a pleasant  
walk in the park. The unfortunate  
Frogs failed to win a single game,  
went home in complete humiliation  
and suffered a player revolt that led  
to the entire team being suspended.  
A spectacular failure, basically,  
so they may see a match against  
Fabio Capello's boys as a chance  
to salvage some much-needed  
national pride. We must hope  
and pray they fail again! ★★★★★

"Alright, I won't overuse  
the toilet paper next time!"

## The Human Centipede

Sky Box Office, from 6am

**FILM** Absurd horror nonsense worth watching  
just so you can say you've seen it. A group  
of tourists fall into the hands of a demented surgeon  
who plans on stitching them all together! ★★★★★

"Shut the door!  
I told you not to eat  
that curry before bed!"

## Paranormal Activity

Sky Movies Premiere/HD, 8pm

**FILM** A young couple move into a dream home  
and start hearing things in the night. They  
set up a video camera to record what happens... and  
we watched the rest through our fingers! ★★★★★

It was one of their  
more successful  
visits to TK Maxx

## The Apprentice

BBC1, 9pm

**REALITY** We head to Pinewood Film Studios as  
the candidates create personal movie  
experiences – like car races and shark diving – and try  
to sell them. Expect more professional grumpiness  
from Sir Alan and the usual "You're fired!" ★★★★★

## TODAY'S MUST-SEES

DAFT LAUGHS!

"Hey! What's this  
'hu-mouse' stuff?"

## Raising Hope

10pm, Sky1/HD

**COMEDY**

From the creators of *My Name Is Earl*, *Raising Hope* is about Jimmy. He's part of the Chance family who are just a step up from trailer trash, and the 23-year-old pool cleaner thinks there's more to life than this. And he'd be right. After a chance encounter with a hot girl, Jimmy discovers he's a dad but as you'd expect, totally clueless about babies. With likeable characters, laugh-out-loud gross-out comedy moments, this Stateside smash is definitely worth a watch. ★★★★★

As student houses  
went, it was spacious

## Misfits

E4/HD, 10pm

**DRAMA**

You know when you go out, have a few too many and think you've got super-powers? That's what happens to Nathan and the gang on a night out, except, since they already have super-powers, they lose them! Oops! ★★★★★

"Not bad, Maryann, but  
I prefer Sookie's"

## True Blood

Channel 4, 10.30pm

**DRAMA**

Bill discovers traditional vampire techniques won't work on Maryann while Sookie tries to help Tara through the Maryann mentalness. Blood. Vampires. Drama and hot girls. What more could we ask for? ★★★★★

swingers club. You have  
to start with the fatty"

## Never Mind The Buzzcocks

BBC2, 10pm
